Nova Eventis Shopping Mall - Halle/Leipzig, Germany

In Germany's Halle/Leipzig region of economical growth the Nova Eventis recently opened its doors. Nova Eventis stands for a unique concept of shopping, leisure and experiences - all combined in a new development on 76 000 square metres. The numerous offers from the tenant partners and the various events in the special action areas turn every visit to the Nova Eventis into an event. For the outdoors area, the developers designed a LED illuminated ball with a 12.5 m radius.
